Washing lines – a 'make and take' activity for Nursery families

9:00-10:30am on Wednesday 4th March 2026

Dear Parents/carers,
We would like to invite you to one of our fabulous Family learning events, where you can join your child in Nursery and have fun working together.

- Find out more about how we teach maths and the importance of using real objects to support learning
- Have fun making a counting resource with your child that you can use together at home.
- Give your child a head-start in maths

The session will start straight after drop-off and will provide you with some great ideas and resources to help your child's skills and confidence with numbers & counting.

To reserve a place for you and your child, please email Mrs Williams - fsa@thepinesschool.org.uk by Wednesday 26th February

We look forward to welcoming you
