

You are the PTA!

EVERY parent, carer and staff member of The Pines school community is a member of the Parent Teacher Association. We all work together to fundraise to help support the school with providing extra things for the children to help boost their learning and experience whilst at The Pines School.

Over the years The PTA have helped The Pines School to provide the children with KS2 playground equipment, laptops during lockdown for home-learning, play equipment for nursery and, sports and wellness week.

The PTA also help to offer fun memories and events for the children and their families.

Together the PTA and the school have held fundraising events such as Summer Fayres, discos, movie nights and, Christmas and Easter trails.

The PTA Committee

To co-ordinate this, we have a PTA Committee filling the required roles of the association. The committee consists of parent volunteers who are voted in at the AGM, and who work closely with the school.

The committee are:

Katie – Chairperson

Caroline – Vice Chair

Kim – Treasurer

Hannah – Secretary
