Introduction from Mrs Davies

Dear Parent/Carers,

Apologies for the delay in sending out this newsletter. I hope you all had a lovely weekend. Last week felt like a very busy week with school photos, a football match, an ambulance and an unplanned fire alarm (this was due to the alarm going off in our next door nursery). However I have to say the staff and children were amazing all week. A particular well done to Mrs Williams and Mr Watkins who managed the first aid emergency very well.

Football Match

Well done to our brilliant football team who won 3-0 on Thursday. The children did a fabulous match report in our Friday celebration assembly.

STEM Week

Next week we have our STEM (science and technology) week. Mrs Drury and Mrs Laye have organised this and we are really looking forward to this.

Harvest

This morning we had our Harvest assembly delivered by our fantastic friends at The Church at The Pines. This year, we have asked for donations that we can pass on to the foodbank at The Kerith Church.

If you are able to donate, please bring all donations to school office over the next two weeks.

Thank you for your support.

We hope you have a lovely week. The next newsletter will be back to normal on Friday.

Autumn Term 2025

Dear Parent/Carer,

Your Child is Now Eligible for Their Annual Flu Vaccine

Your child will be eligible for their annual flu vaccine this autumn (This is offered to all children in Reception up to Year 11). For most children and young people this will be offered in school, however if your child does not currently attend school, please continue to complete a **yes** or **no** consent form following the details below and then contact us to discuss a community clinic appointment.

Flu can make children very poorly, and the vaccine helps keep them safe. Even if your child had the flu vaccine last year, they need it again this year.

The Berkshire Immunisation team will visit your child's school **The Pines School** on **15 October 2025**. Please complete a YES or NO consent form for each child using the links below and include your school's unique code: **BK134740**. Submit all forms by 9am, one full school day (24 hours) before the session so the team can review them in time.

Types of Flu Vaccine Available

1. Nasal Flu Vaccine (contains a small amount of porcine gelatine)

This is the most effective flu vaccine for children. It is a quick, simple, and painless spray administered into the nose.

✦ [Click here](#) to complete the **YES** or **NO** consent form for the nasal flu vaccine

2. Injectable Flu Vaccine (does not contain any porcine gelatine)

If you decline the nasal spray due to its porcine content, an injectable alternative is available.

✦ [Click here](#) to complete the **YES** or **NO** consent form for the injectable flu vaccine

✓ If you would like your child to receive their annual flu vaccine, please complete a **YES** form using the information above.

✗ If you do not want your child to receive the flu vaccine, or if your child has already received a flu vaccine since September 2025, please complete a **NO** form to update your child's records.

Without a **YES** or **NO** consent form in the system you may continue to be contacted by the Immunisation Team, as we are required to account for all eligible children and young people.

📄 We need your child's NHS number on the form. Find it here: <https://www.nhs.uk/nhs-services/online-services/find-nhs-number/>

📞 Problems with the completing the online form? We can provide you with a paper copy or support with completing. Please contact us via **0300 365 0077**

For further information on flu please see links below:

- [Protecting your child against flu: Information for parents and carers](#)
- [BIMA Flu Vaccination Guides 2025](#)

📧 If you have completed a YES consent form and wish to change your response to a NO please let us know at least 24 hours before the planned session date by emailing: withdrawconsentimms@berkshire.nhs.uk. Please ensure you include your child's full name, DOB and school. Please also send a letter in with your child on the day of the school session containing the above information, for the attention of the Immunisation Team

⚠️ If your child becomes wheezy or starts steroids after you fill in the form, contact us right away.

💙 Vaccines help keep children healthy and safe. **Is your child up to date with their routine childhood vaccinations? To find out what vaccines are recommended please visit [NHS \(www.nhs.uk\)](https://www.nhs.uk).**

Thank you for helping us protect your child and others.

Kind regards,

Berkshire Immunisation Team

WHY JOIN?

8 REASONS TO JOIN OUR PTA

1. YOUR CHILD BENEFITS

The PTA is an important part of the school and helps to enrich your child's school experience. We support the school by helping to provide new playground/sports equipment, IT equipment, fun activities for the children and much more!

5. BECAUSE IT'S FUN

Be part of the team which organises the best events and get-togethers. Debrief over a glass of wine (or two). Suggest your most hair-brained idea and watch as it catches on and everyone wants a piece of the action. Laugh. Cry. Be there for each other.

2. TO MAKE A DIFFERENCE

As well as fundraising, the PTA organises events which add so much to our children's school experience. Our PTA organises the School Disco, Christmas Market and the Summer Fair, along with many more fun events. This creates a real sense of community and benefits our children.

6. BE BETTER CONNECTED

Create closer links with the head teacher, teachers and staff. If you're new to the school, the PTA is an excellent way to find out how things work and become part of the community.

3. FEEL INVOLVED

As a parent or carer in our school you are already a member of the Parent Teachers Association (PTA). Every parent is welcome to our meetings and we love to see new faces. Please consider coming along to our meetings, or volunteer an hour of your time at an event.

7. IT'S NOT JUST FOR MUMS

Everyone is welcome, grandparents, aunts or uncles and it's especially important to have dads and male carers represented, as male role models are crucial in children's upbringing. Dads can bring different skills; they can bring a different perspective, and they can bring other dads.

4. IT'S TOTALLY FLEXIBLE

Whether you're a full-time parent or working nine to five, anyone can get involved. It's less commitment than you think and you don't always have to attend meetings. Small jobs like putting up a poster, helping sort uniform or running a stall keeps everything running smoothly.

8. KEEP THE PTA GOING

As parents move on from the school, there is a real danger that there will no longer be a PTA. Please do consider helping, maybe teaming up as a group of parents, to keep the PTA going, year after year.

Is your child entitled to free school meals?

 Bracknell
Forest
Council

Children who attend a Bracknell Forest school and whose parents or carers receive certain benefits, may be eligible to claim free school meals.

Free school meals are a good way to ensure that your child eats well at lunchtime, and you can save yourself time and money.

Plus, if you are eligible to claim free school meals your application will trigger extra government funding for your child's school. This funding is called Pupil Premium, and it will be invested in your child's school to improve educational outcomes.
