Introduction from Mrs Davies

Dear Parent/Carers,

The temperatures are definitely rising this week! Please don't forget to send your child in with a hat and a water bottle. Next week it is also due to be very hot! We will monitor the weather closely for sports day next Friday and if we feel there are any risks linked to the high temperatures, we will let you know.

*We are all really excited about health and well being week next week. Mrs Mossom has organised lots of great things for the children and I am sure they will love the football demonstration on Monday. We are also really excited about sports day and looking forward to welcoming as many of you as possible to the picnic lunch as well. **Please remember we are a NUT FREE school.***

Golf

I can't seem to escape from golf even though it has been the bane of my life for many years! However this is something amazing to celebrate. Some of our Year 3 and 4 children went to a Tri-Golf competition on Wednesday at Great Hollands Recreational ground and I am delighted to announce that they came 2nd overall and have now been invited to attend a county competition in Maidenhead in July. This is hugely exciting as only the top 2 schools get selected. Well done to Beau, Viktoria, Sophie, Ferne, Nelly, Hudson, Alby, Myles, Reuben and Tyler.

Omegle

Please see information below regarding this website that the children are currently accessing that that we wish to make you aware of. It is accessed through the website and strangers can talk to children. It is not safe at all and I urge you to check what your children are looking at online. With the announcement of a ban on social media for under 16s coming in, it will be a great opportunity to start preparing your children for these changes.

Fundraising

We are delighted to have raised so much money at the school fayre however now that the PTA are registered as a charity we would like to investigate the possibility of match funding.

If you work with a company that does match funding for charities please can you share the details with us so that we can explore a partnership to further support the school to maximise the support for the school.

Have a great weekend

Mrs Davies

Spotlight on Learning

The children in the Orchard were VERY excited to be told on Monday morning they were going to get a class pet! They spent two days guessing and writing about which pet they would like and what Mrs Davies would allow. Stefan said she wouldn't let us have an alligator and Ollie wanted a pig. Many wanted a cat, dog or Clown fish!

On Thursday, the children guessed it was an ant and help to set up the ant farm. The children were exceptionally excited and several went digging for ants! The ant farm will be going home with a different child each weekend to be looked after. We have been watching the ants build tunnels! It is very exciting!

OPAL Spotlight

OPAL Spotlight

It has been fantastic to see how well the children have been accessing all of our OPAL zones across the playground. There has been a real buzz of excitement, with pupils exploring the different areas, using their imagination, and engaging in a wide variety of play opportunities.

*Our **wheeled play area** continues to be one of the busiest zones! The children are thoroughly enjoying riding, transporting materials, and developing their coordination and teamwork skills in this space.*

 Parents Invited – Join Us Next Friday!

*We are really looking forward to **next Friday**, along with sports days, when parents will have the opportunity to join us and experience our OPAL provision for the first time. It will be a wonderful chance to see the children in action and share in the joy of play together.*

 Donations Request

To help us continue developing our provision, we would greatly appreciate any donations of:

- Suitcases
- Planting seeds
- Soil

These resources will support creativity, exploration, and further enhance our outdoor environment.

Thank you, as always, for your ongoing support!

Health and Well-being Week (22nd - 26th June)

Please be reminded next week all children at The Pines School will be taking part in a Health and Well-being week. Children will be participating in a range of activities to promote both physical and mental health.

They will be inspired by our curriculum driver - Healthy Bodies, Healthy Minds. To kick start our Health and Well-being week Freestyle Football will be providing workshops to children in

Years 1 to 6 throughout the day on Monday. They are offering a special 1 hour Masterclass session for up to 40 of our pupils after school on Monday 22nd June between the hours of 3:30pm - 4:30pm.

The Workshop is limited to 40 children on a first come first served basis. If you would like your child to attend this workshop, you will need to complete the attached booking form in advance to Monday. Copies are available in the office if you would like to come and complete a form.

Children will be participating in a variety of activities in their classes and year groups including the following activities offered by visitors to our school:

- Freestyle football workshop (Year 1 to Year 6)*
- Playball workshop (Nursery and Reception)*
- Kindness workshop (Year 2 to Year 6)*
- The Pines got Talent (Year 1 to 6)*
- Booknic (Nursery to Year 6)*

For the Booknic, children will have the opportunity to read a book, while enjoying a digestive or rich tea biscuit.

We do require some resources to support our learning. If you are able to donate any, please can you provide to the school office before health and well-being week:

- recycled materials - cardboard boxes, cereal boxes, cardboard tubes, bottle tops etc*

We ask that all children wear their Pines PE kit for the whole week. This should include sensible footwear, appropriate for a range of sporting activities. Some of the activities will take place outside so a sunhat may be worn and sun cream should be applied before your child arrives at school.

Tuesday 16th June 2026

Dear Year 1 to 6 Parents and Carers,

We are delighted to invite you to attend our Sports Day on Friday 26th June, and following feedback, we are especially pleased to be able to welcome you for the whole day. We understand that some of you may only be available to attend either the morning or the afternoon session; however, we wanted to give everyone the opportunity to see as many activities as possible. The round robin competition will take place in the morning, followed by the races in the afternoon.

Children are invited to wear something that represents their house colour (e.g. T-shirt, hair bobbles or socks): Malala – green, Attenborough – blue, Rashford – red, and Watson – yellow.

We would also like to invite you to join your child for a picnic lunch on the field and to see some of our OPAL provision in action. **Children's picnic lunches from the school kitchen can be ordered via the school gateway; there will be no hot lunches available on the day.**

We recognise that some children may find it challenging to stay regulated throughout the whole day. Our staff are prepared for this and ready to respond with care and support. Please trust us to help your child when they need it. We will also have a fully staffed breakout space available to support children as required.

A great deal of organisation goes into making Sports Day a success. We appreciate your support in following the arrangements below. The morning round robin activities are timed events, so children may not have equal turns, but staff will ensure fairness where possible. As always, we will prioritise participation and sportsmanship alongside healthy competition.

Timetable for the Day

We encourage you to plan your day in line with the timetable below, including gate opening times, so that our staff can focus fully on supporting the children.

- **8:40** – Children arrive at school as usual
- **8:55** – All gates close as usual
- **9:05 – 9:10** - Gate C (Mr Baker's Gate) opens for parents
 - Parents are asked to set up inside the running track area. Please do not sit near the activity stations. Once all children are outside, you are welcome to follow your child around the activities, whilst remaining inside the track.
- Once gates are closed, children come outside, receive instructions and take part in a warm-up, followed by the round robin activity
- **Approximately 11:15** – Activities finish, scores updated, and children return to class
- **11:30** – Parents collect children from their classrooms and take them onto the field for a picnic lunch. Please use the bins provided for all rubbish and do not share food due to allergies.
- **12:15** – Whistle sounds; children line up with teachers and return to class for toileting, registering and drinks

HELPING HANDS

Want to help the children of your school join our WhatsApp group to be notified of any events coming up that the PTA need help with for more info speak to any member of the PTA

WHY JOIN?

8 REASONS TO JOIN OUR PTA

1. YOUR CHILD BENEFITS

The PTA is an important part of the school and helps to enrich your child's school experience. We support the school by helping to provide new playground/sports equipment, IT equipment, fun activities for the children and much more!

5. BECAUSE IT'S FUN

Be part of the team which organises the best events and get-togethers. Debrief over a glass of wine (or two). Suggest your most hair-brained idea and watch as it catches on and everyone wants a piece of the action. Laugh. Cry. Be there for each other.

2. TO MAKE A DIFFERENCE

As well as fundraising, the PTA organises events which add so much to our children's school experience. Our PTA organises the School Disco, Christmas Market and the Summer Fair, along with many more fun events. This creates a real sense of community and benefits our children.

6. BE BETTER CONNECTED

Create closer links with the head teacher, teachers and staff. If you're new to the school, the PTA is an excellent way to find out how things work and become part of the community.

3. FEEL INVOLVED

As a parent or carer in our school you are already a member of the Parent Teachers Association (PTA). Every parent is welcome to our meetings and we love to see new faces. Please consider coming along to our meetings, or volunteer an hour of your time at an event.

7. IT'S NOT JUST FOR MUMS

Everyone is welcome, grandparents, aunts or uncles and it's especially important to have dads and male carers represented, as male role models are crucial in children's upbringing. Dads can bring different skills; they can bring a different perspective, and they can bring other dads.

4. IT'S TOTALLY FLEXIBLE

Whether you're a full-time parent or working nine to five, anyone can get involved. It's less commitment than you think and you don't always have to attend meetings. Small jobs like putting up a poster, helping sort uniform or running a stall keeps everything running smoothly.

8. KEEP THE PTA GOING

As parents move on from the school, there is a real danger that there will no longer be a PTA. Please do consider helping, maybe teaming up as a group of parents, to keep the PTA going, year after year.
